## **Internship Position**

### **Webmaster Internship**

Attention Computer Graphics and Web Design Students!!!

The Ben Westlund for Governor Campaign is looking for a Webmaster Intern. This position can be done either at home, or from a Ben Westlund for Governor Campaign office. Expect to work approximately 15 hours a week (sometimes more, sometimes less).

The intern that fills this position must have experience designing and managing websites, working with and creating graphics, uploading utilities. Photoshop experience is preferred for this position. HTML knowledge is essential, FrontPage knowledge is preferred. People applying for this position must know some PHP and Javascript. Other web related duties may be assigned.

Working on a grassroots campaign requires that applicants are willing to occasionally work short periods of time at odd hours.

The Campaign is more than happy to work with interns on ensuring they receive college credit for their summer work. Interns are responsible for working through the details of the program with their schools.

If you are interested in this, or any other internship available through the Ben Westlund for Governor, please contact Kelli Mauzy, email [kelli@benwestlund.com](mailto:kelli@benwestlund.com) or call (877) 544-9222.
