Westlund Campaign to Launch Portland Office

Radio Ads Kick Off Friday to Increase Name ID

Ben Westlund (I), candidate for Governor, will open a Portland regional office located at 1935 NE 39th Avenue in the Hollywood district. Doors officially open Friday, 11:00 a.m. for volunteers and supporters to come by and meet staff.

The office will provide volunteers with Westlund Action Kits, packed with everything needed to get Ben on the ballot. Likewise, bumper stickers, campaign lit and petitions can be obtained from the office.

Westlund campaign manager, Stacey Dycus, said that the momentum is building to get Ben on the ballot. “As the low turn-out in the primary demonstrated, voters are ready for a credible alternative to the major party candidates and the candidacy of Ben Westlund offers hope that we can put partisanship aside and focus on the finding solutions to the problems facing us.”

The campaign also begins radio advertising on Friday in the Portland area to increase Westlund’s name recognition. “We are continuing our momentum through the summer by gathering signatures, attending festivals and public events and adding to our already growing base of support,” said Dycus.

The toll-free number for the Westlund’s Bend headquarters is 1-877-544-9222, the Portland office number is 503-595-1316. Petitions and the radio ad can also be downloaded at www.westlundforgovernor.com.
